

Colours of Nature

Description:

This programme is for our tiniest Tulukani Adventurers!

We have compiled a gentle introduction to the natural environment that focuses on colours around us. All activities are supervised by qualified, experienced guides and staff members.

During their stay they are encouraged to:

- fill their plates with as many different colors as possible in an effort to ensure a balanced, nutritious diet
- create an artwork using only natural materials found in their immediate environment
- learn to identify a few birds and animals by sight and sound
- create a traditional clay pot using termite soil as has been done for generations in the area
- enjoy a leisurely boat cruise on the mighty Zambezi with their class mates
- share songs and stories around the camp fire.
